## BY AUTHORITY.

ADDITIONS TO PROPOSAL FOR  
THE CONSTRUCTION OF CER-  
TAIN BUILDINGS ON THE IN-  
SANE ASYLUM GROUNDS, HO-  
NOLULU, T. H.

At the urgent request of various general Contractors, the Superintendent of Public Works will consider (in addition to the segregated proposals heretofore called for) blanket bids or proposals, for the entire completion of work set forth in sections 1 and 2, and in sections 3 and 4 of the plans and specifications for the above mentioned buildings. Sections 5 and 6 were not included in these blanket proposals inasmuch as the bids would be very liable to exceed the unexpended portion of the appropriation (approximately \$63,000) made for this work.

An additional sheet to accompany the segregated proposal heretofore called for has been gotten out and copies are on file at the office of the Assistant Superintendent of Public Works, and will be furnished intending bidders when called for.

The Superintendent of Public Works reserves the right to accept or reject any or all bids.

## ZAMLOCH THE WIZARD

Noted Conjurer Arrives  
On Ventura To Play  
Here.

Professor Zamloch, "prince of the  
black art" and cleverest magician and  
conjurer on the American continent,  
appears at the Orpheum on Saturday  
evening for a week's engagement. The  
simple announcement of his entertain-  
ment should be sufficient to draw a  
crowded house. His marvelous work is  
interesting to all, and the many novel-  
ties he presents serve to make a most  
entertaining performance. A delightful  
entertainer, a smooth and artistic per-  
former it will be an opportunity to wit-  
ness feats in legerdemain far superior  
to anything in the same line ever pre-  
sented in this city since his own pre-  
vious engagement of some years ago.  
In a profession in which there are so  
many fakes and low grade performers  
that people have to some extent lost  
interest in it, Prof. Zamloch's aim has  
been to elevate and show that with the  
properly acquired skill magic is, and  
should be, an art, and how well he  
has succeeded his long and success-  
ful career and the splendid perfor-  
mances now being given by him give  
ample proof. Those who have a chance  
to see him during his present visit and  
fail to do so miss a rare opportunity.  
The sale of seats opens this morning  
at the Bergstrom Music Company's new  
store, tickets being available from nine  
until five-thirty. Professor Zamloch ar-  
rived on the Ventura yesterday. His  
son, who has pitched for the Elks base-  
ball team this season with considerable  
success, will join his father's company  
en tour.

## HAWAIIAN CHINAMAN NOW AN AMERICAN PHYSICIAN

The Call says: Chang A. Holt of 804  
Stockton street enjoys the distinction of  
being the first Chinaman admitted to  
practice by the Board of Medical Ex-  
aminers of California. He received his  
official announcement Saturday and is  
now a full fledged physician and sur-  
geon. He is proud of his achievement  
and his countrymen exult with him over  
his success.

Chang is not a native son, although  
he has lived under the American flag  
since the Hawaiian Islands were ad-  
mitted to the Union. He was born in  
the city of Canton, China, twenty-six  
years ago. His parents were poor and  
it seemed in his early boyhood as if  
his fate were to be that of the yellow  
hordes among which he lived. But  
beneath his blue blouse were desires  
and ambitions and a spirit and deter-  
mination that made him different from  
his fellows.

At the age of 13 he ran away from  
home to Hongkong in search of a bet-  
ter life than that he had known as a  
goatherd and laborer in the rice  
swamps of the distant Chinese province.  
In the great English stronghold he was  
told of a beautiful land beyond the seas  
where he could earn plenty of gold and  
be answerable to no grasping mandarin.  
He decided to seek out these elysian  
fields of which he heard and stowed  
away on a vessel bound for the United  
States. When the boat reached Honolu-  
lu he was put ashore. He found  
employment at once and, still cherishing  
lofty ambitions in his young heart,

he saved every cent he could possibly  
spare from the cost of existing. In a  
year or two he set up a store on the  
island of Hilo. He was very young,  
but he prospered in business never-  
theless and his little establishment grew  
to be a big one.

At the age of 21 he sold out his busi-  
ness, which was one of the largest con-  
cerns of its kind on the Hawaiian Is-  
lands. With much money in his pocket,  
the slant-eyed boy then sailed to Amer-  
ica. He commenced upon his studies  
immediately and applied himself as busi-  
ly as ever to the fulfillment of his pur-  
pose.

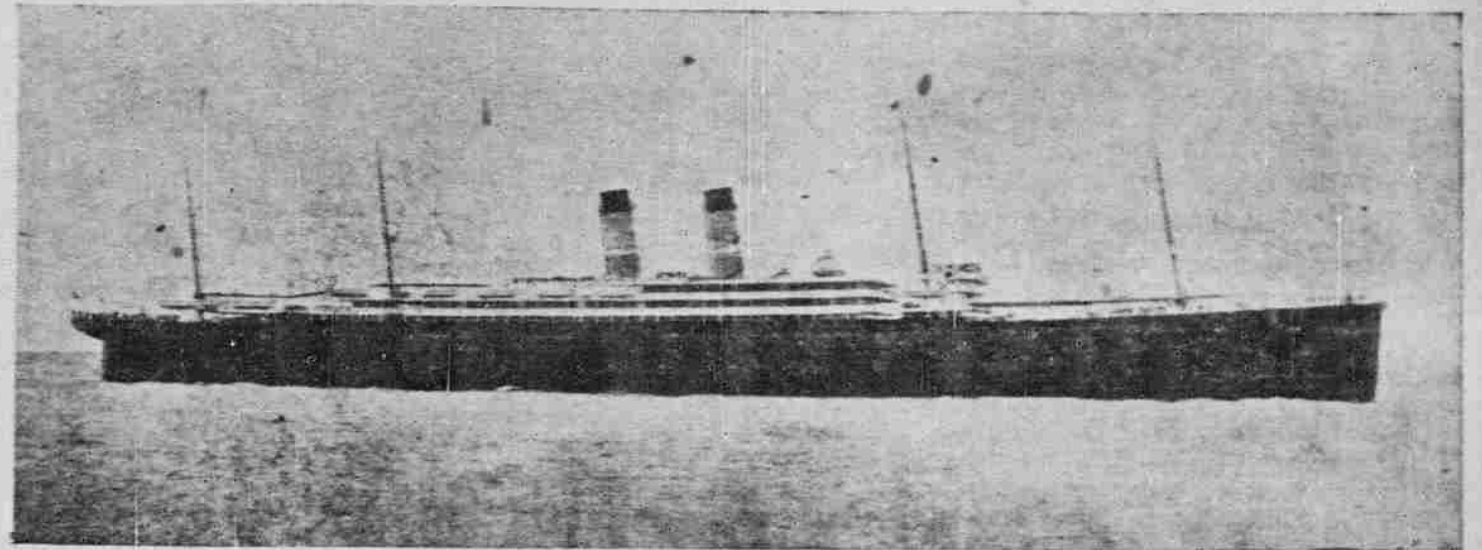

After he had learned to read and write  
English he determined to be a doctor.  
He was admitted to the College of Physi-  
cians and Surgeons and always held a  
high rank in his class. He was graduat-  
ed with honors last spring and recently  
appeared before the Board of Medical  
Examiners for the final test, which he  
passed easily.

He does not intend to practice in the  
United States, and after a trip through  
the country he will return to the city  
of his birth. He has been Christianized  
and wears no queue. He states that he  
means to uplift his countrymen as far  
as rests in his power. He will cure  
their bodies of physical ills, teach them  
the advantages of civilization and in-  
struct them spiritually.

## Made Good Showing.

Pugilist Tim Murphy, who was de-  
feated by Dave Barry here, says that  
Barry must have put up a magnificent  
fight, for Sullivan is one of the best  
men in his class. The showing made  
in this battle will go far towards get-  
ting the local man good matches in the  
future.

## NEWS OF THE WATERFRONT

THE LARGEST SHIP AFLOAT: THE NEW WHITE STAR LINER, BALTIC.

The new vessel, which was built by Messrs. Harland and Wolf, of Belfast, left Liverpool on her maiden trip on June 29 last. The length of the Baltic over all is 726 ft.; breadth, 75 ft., and depth, 49 ft.; while her gross tonnage is 24,000.

## DORIC GOT IN LATE LAST NIGHT

The Occidental and Oriental liner  
Doric arrived from San Francisco late  
last evening and came up to the dock  
after ten o'clock. She left San Fran-  
cisco an hour before the Sierra which got  
in in the morning but did not attempt  
to make speed. Pleasant weather was  
encountered on the passage. The  
steamer has sixty-five cabin passen-  
gers, four steerage and ninety-five  
Asiatic passengers. Of the cabin pas-  
sengers, Mr. W. Hoffman and Mr. G. W.  
Morse, tourists, will stop over at this  
port. The ship has no cargo for Japan  
and 1075 tons for Shanghai and 2161 for  
Hongkong. There are 2000 tons of flour  
and 150 tons of pig iron aboard. There  
are also seven fresh milch cows for  
Shanghai. The task of milking these  
bovines on the long trip across the  
Pacific has been assigned to Second  
Officer David Blair, who once lived on  
a farm and has often boasted of it.  
Instead of condensed milk the Doric's  
passengers are to be provided with the  
fresh article, unless Blair has lost his  
skillfulness.

Of the passenger, H. J. Such is a  
merchant of Shanghai, T. W. Van Ess  
is a Korean mining expert, J. Reif-  
snider is a merchant of Kioto and C.  
S. Reifsnider is an Episcopal mission-  
ary at the same place. The balance of  
the list is made up of tourists, em-  
ployees of the Philippine civil govern-  
ment and missionaries.

The missionaries are: Rev. and Mrs.  
Charles E. Dorn, Baldwin, Kas.; Mrs.  
J. E. Adams, Topeka, Kas.; Rev. and  
Mrs. A. P. Barrett, Pratt, Kas.; Rev.  
and Mrs. F. W. Bible, Porterville, N.  
Y.; Miss Elizabeth Carothers, Port-  
land, Or.; Dr. and Mrs. Charles H.  
Crooks, Bethel, Kas.; Miss Mabel Gil-  
son, Canton, O.; Miss Lila S. Halsey,  
Evanston, Ill.; Rev. and Mrs. Edwin  
C. Hawley, Amherst, Mass.; Miss Em-  
ma Hicks, Wamego, Kas.; Jessie W.  
Hirst, M.D., Philadelphia, Pa.; Rev.  
and Mrs. C. C. McIntire, East Detroit,  
Mich.; Miss Elizabeth Milliken, Wil-  
mington, Del.; Miss Alice Monk, Al-  
bion, Mich.; Dr. and Mrs. Charles K.  
Roy, Rev. and Mrs. A. P. Vaughn,  
Marion, Ia.; Dr. and Mrs. Charles C.  
Walker, Cleveland, O.; Rev. and Mrs.  
Carroll H. Yerkes, Berwyn, Pa.

Seventy new missionaries are being  
sent out this year to foreign fields by  
the Presbyterian Foreign Board.
